BANKING & FINANCE, REAL ESTATE, WILLS AND PROBATE

Vyzas & Associates, P.C. is a boutique law firm that has been providing personalized service in a range of legal matters and complex commercial transactions for more than 17 years. "What differentiates us is the fact that we're very detail-oriented," says founding member Vince Vyzas. "We understand our clients' businesses and their objectives, so we're able to help them to achieve their goals."

Vyzas has developed a specialty in cooperative, condominium, and timeshare law, beginning with his career as a legal intern in the New York Attorney General's office, where he reviewed offering plans. He also served as general counsel to a community savings and loan association for 12 years, and he and associate Tricia Flynn, who has appeared in Civil, District and Supreme Courts throughout New York, continue to represent a number of New Jersey lenders in New York as bank counsel. Flynn concentrates her practice in areas such as estate administration, business formation and management as well as drafting trusts. Recently, Mr. Vyzas and Ms. Flynn negotiated a crucial business agreement for a finalist on a prime-time network reality competition series.

Vyzas has been AV<sup>®</sup> Preeminent<sup>™</sup> rated by Martindale-Hubbell<sup>®</sup> and has had a number of notable successes during his career. He is one of a few attorneys in the country to have overturned an unsatisfactory Community Reinvestment Act rating on behalf of a lender. Most recently, associate Peter Nichols, a former assistant Manhattan District Attorney, successfully represented a client in a FINRA arbitration.

In addition to real estate and banking, Vyzas & Associates specializes in commercial finance and litigation, troubled debt restructuring, estate administration and litigation. The firm's clients include individuals, major developers, financial institutions, affordable housing developers, and corporations. The firm also has a multi-jurisdictional practice, with attorneys who are all licensed in both New York and New Jersey.
